

Getting a Virtual Estimate

Let us know what type of device you have and we'll let you know how we will do a virtual estimate.

FaceTime [iPhone to iPhone Meeting]

Turn on FaceTime

1. Open the FaceTime app and sign in with your Apple ID. You can also do this from **Settings > FaceTime**.
2. If you're using an iPhone, FaceTime automatically registers your phone number. To also register your email address on your iPhone, go to **Settings > FaceTime > Use your Apple ID for FaceTime**, and sign in with your Apple ID.
3. If you're using an iPad or iPod touch, register your email address by tapping **Settings > FaceTime > Use your Apple ID for FaceTime**, and sign in with your Apple ID.

We Call You

1. When we call, simply **Accept** the call.

You Call Us

2. Open the FaceTime app

3. Then tap the plus button and type in our phone number.
4. Click return and then tap the green **Video** button.

Skype [iPhone to Android Meeting]

1. Download the Skype app from the Google Play store.
2. Sign up for a Skype account.
3. Send us your Skype name and we'll add it to our account.
4. Accept our invitation inside the Skype app.
5. Make sure the Skype app is open when we call you.
6. Tap the **Blue** button when we call.

Google Duo [Android to Android or iPhone to Android Meeting]

1. Open Google Duo or download the app.
2. If you're new to Duo, you will have to verify your phone number.
3. Open that app before we call and **Accept** the video call.
